MOMENTS TO REMEMBER

When everything is said and done,
We've shed some tears,
We've had some fun.
We will have these moments to
remember.

The quiet walks,
The things we've done.
Our senior year was lots of fun.
We will have these moments to
remember.

So winter turns to summer,
and the present disappears.
The laughter we were glad to share
will echo through the years.

When other nights
and other days,
They find us gone our separate
ways,
We will have these moments to
remember.
